As the Board appear to be very keen on having this Dispensary converted into a L.F.Dispensary, I have no objection to the conversion, provided it is on the Reduced Scale of Expenditure as sanctioned in the G.O. No.G.2236-53/Med.49-25-9 dated the 26th August 1927. In this case, the cost of Europe Medicines, Rs.500/- per annum, and the pay of the Sub Assistant Surgeon at Rs.40 or Rs.50/- will have to be met by the Government. For the current year, the medicines etc., have already been supplied, and the pay of the Medical Subordinate will be arranged to be met from out of the sanctioned grant of Rs.5000/- for the opening of New Dispensaries.

Rs 980 = 1100

Rs 480

But this consent is subject to the condition that the funds thus released will be utilised by the Board for the opening of another District Board Dispensary in some other place in the District.

I find from the resolution of the Board that they are willing to contribute their quota towards the opening of two ~~other~~ more L.F.Dispensaries at Sadali and Budikote.

For these Dispensaries, the Board will have to contribute

Dated, Kolar, the 4th June 1935

From

(THE DEPUTY COMMISSIONER, KOLAR DISTRICT.)

Med. 6-35-1

Adverting to Government order No.G.7992-5 Med.98-33-14 dated 22/23rd Febry:1935 sanctioning the opening of a District Board Dispensary at Manchenahalli as per scale sanctioned in G.O.Dated 21-4-1931, I have the honour to narrate, in brief, as follows the full history of the subject matter for the kind and favourable consideration of Government.

Government in their order No.G.3412/5 Med.85-32-14 dated 10th Novr:1932 sanctioned on the recommendations of the Senior Surgeon the proposals of the District Board for establishing a District Board -- Dispensary at Manchenahalli. But the residents of Manchenahalli -- presented a petition to the Senior Surgeon praying that the L.F. Dispensary at Narasapur may be transferred to Manchenahalli, the District Board Dispensary now sanctioned for Manchenahalli being located at Narasapur and the same was forwarded by the Senior Surgeon for the opinion of the Board. A copy of the petition addressed to the Senior Surgeon is enclosed for the kind information of Government. The Senior Surgeon was replied on 6-4-33 stating that the Village Panchayat at Narasapur who were consulted in the matter are not in favour of the proposal since they are unable to pay any contribution to the District Board Dispensary and that the entire question including the representation of people of Narasapur village having therefore been placed before the Board in its meeting held on 15-3-33 it was resolved that the prayer of the people of Manchenahalli for a L.F. Dispensary may however be sanctioned. A copy of this office letter

letter No.OC.632/32-33 dated 6-4-33 addressed to the Senior Surgeon is enclosed. Government in their letter No.G.1201/Med. 85-32-10 dated 22nd Aug:1933 stated that if the District Board agree to have a L.F.Dispensary at Manchenahalli, they would be prepared to meet their share of cost for such dispensary. The District Board before whom the matter was placed in their meeting held on 22-9-33 resolved agreeing to open an L.F.Dispensary at Manchenahalli and to pay their share or contribution. Kind -- reference is invited to this office letter No.OC.632/32-33 dated 3-10-33. In reply to this, Government in their letter No. G.3810/Med.98-33-4 dated 2-12-33 requested for the further opinion of the Board re: the cost of maintenance and the provision of buildings including quarters for the Sub Assistant Surgeon. Government were informed in this office letter No.OC.632/32-33 dated 14/18-12-33 stating that the Board are agreeable to bear the entire cost of the dispensary, excluding the pay of the Sub Assistant Surgeon and the cost of Europe medicines. Government in their letter No G.5295/Med-98-33-7 dated 26th Jany:1934 replied stating that the question of opening the dispensary from 34-35 is under consideration of Government and that in the meanwhile a clear resolution in regard to the apportionment of the cost etc., that the District Board has to bear may be obtained and submitted. As regards the arrangements made for securing buildings for the location of the dispensary and quarters for the Sub Assistant Surgeon, a report was also sent with this office No.OC.632/32-33 dated 14-2-34. Government in their letter No.G.8076/Med.98-33-11 dated 31May/1st June 1934 replied stating that on account of present financial stringency it will not be possible to sanction the opening of the Dispensary during the current (i.e.,34-35) or next official year (i.e., 34-35) and enquired whether the District Board under the circumstances is prepared to meet all the charges on account of the L.F.Dispensary as it has to be opened. The Board in its meeting

meeting held on 28-7-34 resolved that it is not possible to meet all charges and that instead a District Board Dispensary may be established in the hope that the Government would be soon pleased to convert the same into an L.F. Dispensary (vide letter No.OC.632/32-33 dated 8-8-34). So a District Board Dispensary was sanctioned by Government in the order under reference. The Dewan Saheb of Mysore was pleased to perform the opening Ceremony of the dispensary at Manchenahalli, which is located temporarily for 2 years in the local Musafirkhana, on 5-6-1935.

In view of the strong representations made from time to time by the residents of Manchenahalli for opening a L.F.Dispensary there, the District Board resolved in its meeting held on 8-6-35 that the District Board Dispensary at Manchenahally recently started may be converted into a L.F. Dispensary from 35-36. It was further resolved that two more L.F.Dispensaries may be started at Sadali and Budikote for which the District Board are prepared to pay their quota. A copy of District Board Resolution No.43 is enclosed.

In the circumstances I request that sanction of Government may kindly be obtained for converting the District Board Dispensary at Manchenahalli into L.F.Dispensary and for opening two more L.F. Dispensaries at Sadali and Budikote from the next official year.

I have the honour to be,

Forwarded with Compliments,

Deputy Commissioner,
Kolar District

Petition dated 10-12-32, from the residents of Manchenahalli, Goribidnur Taluk to the Senior Surgeon in Mysore, Bangalore.

The humble memorialists signed hereunder beg to submit the following facts to your gracious consideration.

Your memorialists are the residents of Manchenahalli, Goribidnur Taluk having a population of over three thousand.

The said Village has no Dispensary of its own and now the District Board of Kolar has resolved upon opening a District Board Dispensary. ~~The said village has a population of~~ In one of the villages, namely, Narasapur there is a Local Fund Dispensary. The said village has a population of less than eight hundred and looking at the work and attendance at that Dispensary it is opined by the Medical Officer that a Dispensary is not necessary in that locality and it was also thought desirable that the said Local Fund Dispensary should be transferred to Manchenahalli. In the meantime there appears to be the otherside of the opinion that the Dispensary should not be abolished at Narasapur.

In the above circumstances our submission is that Narasapur should not be deprived completely of a Dispensary and Manchenahalli should be provided with a suitable Dispensary. It is obvious therefore that a small Dispensary will meet the needs of the people of Narasapur and that Manchenahalli requires a pucca Local Fund Dispensary. The District Board have recently resolved that the Local Fund Dispensary at Narasapur should be transferred to Manchenahalli. We therefore request that the District Board Dispensary now sanctioned for Manchenahally may be ordered to be located at Narasapur and the existing Local Fund Dispensary at Narasapur may be transferred to Manchenahalli. This arrangement will satisfy the desire and the needs of the people of both the localities.

We, your humble memorialists, therefore must respectfully pray that necessary orders may be passed locating the District Board Dispensary at Narasapur and transfer the Local Fund Dispensary of that place to Manchenahalli.

Letter No.OC.632/32-33 dated 6-4-33 addressed to the Senior Surgeon in Mysore, Bangalore by the President, District Board, Kolar.

With reference to your No.C.684-8 dated 20-12-32 forwarding for the opinion of the District Board the representation of the people of Manchenahalli Goribidnur Taluk, praying that the L.F.Dispensary now at Narasapur may be transferred to Manchenahalli and that District Board Dispensary sanctioned for Manchenahalli be located at Narasapur, I have the honour to state that the Village Panchayat of Narasapur who were consulted in the matter are not in favour of the proposal since they are unable to pay any contribution for the District Board Dispensary. The District Board before whom the entire question including the representation of the Narasapur Village also was placed at their meeting held on 15-3-33 have however resolved that the representation of the people of Manchenahalli may be sanctioned.

2. A copy of the resolution No.24 dated 15-3-33 on the subject is enclosed for kind reference.

3. In this connection, it may also be mentioned that the Amildar, Goribidnur who was requested to fix a date for the opening of the District Board Dispensary at Manchenahalli in consultation with the Panchayat concerned has forwarded in reply the resolution of the Village Panchayat that the question may be considered after the decision of the Government is obtained on their representation praying for the transfer of Narasapur Dispensary to their village. A copy of the petition presented to the Dewan by the people of Narasapur received with the Kolar Deputy Commissioner's Memo No.C.2170/32-33 dated 20-3-33 is also enclosed for your information.

(THE DEPUTY COMMISSIONER, KOLAR DISTRICT.)

Sir,

With reference to your letter No.G.1154 Med.6-35-2 dated 8th Aug:1935 forwarding the Senior Surgeon's Unofficial Note dated 24th July 1935 suggesting the opening of District Board Dispensaries at Sadali and Budikote instead of L.F.Dispensaries as suggested by the Board and enquiring whether the District Board are agreeable to this, in case the existing District Board Dispensary at Manchenahally is converted into a L.F.Dispensary, I have the honour to state that the District Board in their meeting held on the 10th Septr:1935 have resolved that the District Board Dispensary at Manchenahally be converted into an L.F.Dispensary and that District Board Dispensaries may be established at Sadali and Budikote, but that the pay of the Sub Assistant Surgeons may kindly be met by Government, as the cost of maintenance of each District Board Dispensary comes to about -- Rs.1650/- only as indicated in the margin and not Rs.1200/- the figure given by the Senior Surgeon.

1. Establishment charges at Rs.85/= per mensem.	1020/-
2. Country medicines.	100/-
3. Europe Medicines.	500/-
4. T.A. etc.,	30/-
Total.	1650/-

It was further resolved that in -- respect of such of the L.F.Dispensaries (noted in the margin) for which the Board is now paying full contribution, the Government be requested to allow the Board to recover, from the concerned Municipality or the Village -- Panchayat as the case may be, their quota of cost towards the same.

GENERAL SECRETARIAT 19 DEC. 1935

Sir,

With reference to your memo No. 1155 dated 8/10th August 1935 forwarding a copy of your letter addressed to the President, District Board, Kolar regarding the conversion of the District Board dispensary at Manchenahalli into a Local Fund dispensary and the opening of two more dispensaries at Sadali and Budikote, I have the honor to forward herewith a copy of letter No. OC. 632/ 32-33 dated 11th December 1935 received from the President, District Board, Kolar stating that the District Board in their meeting held on 10th September 1935 have resolved that the District Board dispensary at Manchenahalli may be converted into a Local Fund dispensary on a reduced scale of expenditure and that District Board dispensaries may be established at Sadali and Budikote during the current year. He further states that the dispensary at Sadali will have to be opened next month and requests that early action may be taken in the matter.

I may note that the opening of a District Board dispensary at Sadali has already been sanctioned in Government order No. G. 1269-72/med. 39-33-2 dated 26th August 1938 and that the only question which remained unsettled was the willingness of the District Board to undertake the responsibility of collecting the contributions from the Village Panchayet. As the President District Board has, in his letter No. OC. 341 dated 25th February 1935(copy enclosed) stated that the Board are willing to undertake this responsibility and as he proposed to have the dispensary opened next month, I request that you will be so

so good as to obtain very early sanction of Government to (1) the conversion of the District Board dispensary at Manchenahalli into a Local Fund dispensary on a reduced scale and (2) the opening of two District Board dispensaries at Sadali and Budikote

The financial commitment involved from this proposal has been explained to Government in my Unofficial note No.G.C. 65-39 24th July 1935.

I request very early orders.
